INTRODUCTION & OVERVIEW

WELCOME TO THE CUP

ABOUT

Welcome to the 3rd International Capelli Sport Cup, located in beautiful Køge with the oldest medieval town square in Denmark, beautiful marina and cozy beaches. The Capelli Sport Stadium is located in the City Center and just 30 minutes from Copenhagen and Copenhagen Airport. Capelli Sport and HB Køge are excited to extend this invitation to teams in the following groups:

MEN

- U17 (born in 2006-2007)
- U19 (born in 2004-2005)

Every team will be permitted to have two older players that are one year above their respective age group on the field at the same time (U19/2002) and (U17/2003).

You can bring as many players and staff as you want but must follow substitution rules outlined on the rules page.

There are no tournament fees – teams will cover their own travel expenses, including airport transfers, local transport and hotels. Capelli Sport and HB Køge will provide lunch and dinner each day and the possibility of doing laundry for free at the club.

Awards presented by Capelli Sport will be given to top teams and top individual performances. There will be professional support staff on site, such as physios, to support all teams and players. All matches will be recorded and presented to each team following each game.

We invite teams to arrive early to adjust to local time zones, climate and environment. Please plan to arrive in Køge on July 25th, with games being played from July 27th to July 31st.

RSVP by May 1st so we can plan accordingly for the event. Please don't hesitate to contact us for further information or any questions.

OVERVIEW PRICING

Capelli Sport is covering all tournament fees. Every team has to take care of their own transportation costs and costs for hostels and hotels. Please contact Daniel Martinus for hotels and hostels.

COVID-19

COVID-19 precautions concerning the COVID-19 situation will be made by the club to ensure everything is followed by the guidelines of the government. HB Køge will assist in getting the best agreements and clauses with accommodation in place - in case the COVID-19 situation worsens and we have to cancel the tournament.
